

SONIC EQUIPMENT

Controller -Fulltime-

Are you our new Controller who brings out the best of our accounting team and strives every day to optimize our financial administration? At Sonic, you can really make an impact within a dynamic and fast-growing, international brand.

OUR DNA

Sonic Equipment is the specialist in high-quality hand tools, filled toolboxes and premium storage solutions. Founded in 2004 and now a leading brand with sales in more than 65 countries worldwide. In addition to Automotive, Sonic is active in the Agriculture, Truck, Industry, Bicycles and Motorcycles sectors. Our goal is to provide the perfect solution for technical professionals, always with the right balance between design, quality and price. Inspiring technicians with confidence and enabling them to excel in their daily job with joy and satisfaction.

WHAT WILL BE YOUR PLAYFIELD?

As Controller, you will manage the accounting team (3 FTE) and 3 external administrators abroad. You will also contribute operationally to an accurate financial administration yourself. Together with your team members, you will support Sonic in its growth ambition, contribute to the further financial health of the Sonic Group and ensure the further optimisation of the financial administration. In this role you will report directly to the CFO.

Main responsibilities:

- Financial Reporting: prepare reports and offer advisory insights to management;
- Annual Accounts and Audits: lead annual accounts preparation and oversee both internal and external audits;
- Monthly Financial Closing: ensure accurate monthly financial closing, including journal entries and tax returns;
- Budgeting and Forecasting: drive the budgeting and forecasting processes;
- Financial Administration: manage daily financial operations, including accounts receivable, accounts payable, and cash flow;
- Team Leadership: manage, coach, and develop the accounting team and supervise foreign entity administrative offices;
- Process Optimization: enhance financial administration, processes, and internal controls;

- Ad Hoc Projects: assist in various financial and IT projects as needed.

WHAT DO YOU GET IN THE ROLE OF CONTROLLER?

- Attractive salary (max. € 6.000,- gross monthly);
- Continual learning and development opportunities in an international environment;
- A flat, laid-back culture: everybody is encouraged to participate in discussions and contribute;
- A high-trust environment. We believe in giving autonomy to all our employees;
- Working from our modern and easy accessible head office in Purmerend (25 min. drive from Amsterdam) with the option to work 1 day per week from home;
- Monthly pension contribution;
- High staff discounts on Sonic products;
- "Work hard, play hard" mentality: table tennis, darts & football;
- Free lunch every Friday, fresh fruit and cooled drinks.

SONIC CORE VALUES

Sonic is more than a company. We are a brand with big ambitions and strive to create a belonging and inclusive culture. We are successful in achieving our goals by putting our core values at the heart of everything we do. These core values are **Friendly, open & communicative, Hands-on, Pro activity, Teamwork, Responsibility and Customer orientation.**

WHAT DO YOU NEED TO BECOME A CONTROLLER AT SONIC?

- You have a completed HBO education in accounting or business administration;
- You have at least 5 years' experience in accounting/ controller within an international environment;
- Proven managerial experience;
- Excellent Excel skills;
- Strong analytical skills, good numerical insight and an eye for detail;
- You feel comfortable working in a dynamic, fast-growing, international and commercial environment;
- You have good proficiency of the Dutch and English language;
- Integrity and accuracy, result-oriented and stress-resistant. That's you!
